

TERMS AND CONDITIONS

Payment: Your deposit secures your stay at the time of booking. Full payment is required by one calendar month before the start of your stay. If the balance is not received by this time, the slot will be released, and the customer will lose their deposit.

Cancellation: Cancellations made up to one calendar month before the stay are entitled to a transferrable voucher which can be used to re-book a stay of the same value on alternative dates. If guests then cancel again, we reserve the right to charge a rebooking fee. Cancellations made within one calendar month of the stay will not be entitled to any refund or transferrable voucher. We recommend you take holiday cancellation insurance to cover any losses. Your deposit is non-refundable.

COVID-19 and infectious disease: In case of any Government restrictions including lockdown policies which make it illegal or impossible for us to operate, we will offer date changes to any guests affected. We cannot guarantee that we will be permitted by Government to operate at any time. Our yurts are well cleaned and aired prior to your arrival, but given the nature of our product, we cannot guarantee a sterile environment and guests choose to stay at Eco Retreats entirely at their own risk.

Offers and discounts: Discount offers are only applied to bookings made during the period of the offer. They will not apply retroactively to previously arranged bookings.

Choice of yurt: On rare occasions we may need to accommodate guests in a different yurt from the one originally booked. We reserve the right to change your yurt to a different one of the same or higher standard if necessary.

Damage or loss: We are proud that Eco Retreats is a safe place to be but we cannot accept liability for damage to or loss of your property or vehicle.

Weather: We will endeavour to do our best to make your stay enjoyable whilst taking no responsibility for the weather. All guests should come prepared for rain and sunshine and bring suitable clothing and footwear.

Rodents: We use sonic mouse deterrents in each yurt but as we are surrounded by healthy organic meadows and woodland we cannot guarantee that your yurt won't be visited by mice. Please keep food sealed and stored in the tins/boxes in your yurt to minimise this risk. We kindly ask guests to let us know if they have noticed any signs of mice so that we can use a humane mouse trap to relocate them.

Breakages: We realise that glasses or crockery may occasionally get broken and will not charge for small breakages, although we do appreciate a small donation to replace broken or damaged items. If you cause considerable damage to your yurt or any of the furnishings, the guest will be liable for adequate recompense to cover the cost of replacement. Pots and pans provided are for indoor use only.

Noise: Guests generally come to Eco Retreats for peace and quiet. We kindly ask you to respect the other guests by not making too much noise. Amplified music is not permitted. If guests cause an unreasonable disturbance we reserve the right to ask them to leave and/or to charge them for any compensation we may have to offer to other guests.

Pets: Eco Retreats is located on an organic sheep farm and so no pets are allowed on site. Guests are kindly requested to leave the sheep in peace and not to chase or otherwise cause harm or stress to the animals. Fines may be issued for any damage suffered by the farmer.

Smoking: We kindly ask you not to smoke inside the yurts. You are welcome to smoke outside if you would like to.

Driving on site: Guests are strictly not allowed to drive anywhere other than the paths indicated which lead to their private parking spot. No driving on the grass at any time is permitted. Fines up to £1,000 may be issued for any damage suffered by the farmer.

Cleaning and rubbish: Guests are asked to empty their rubbish in the bins provided. We are very grateful if you can leave your yurt as you found it, with clean crockery/cutlery and pans and no litter. Outdoor shoes should not be worn inside the yurt; please bring slippers or other easy to kick off footwear.

Fires and firewood: Each yurt has a fire extinguisher, fire blanket and carbon monoxide detector. Guests must at all times ensure that no rugs, bedding, clothing or any other items are within 0.5m of the wood-burning stove in the yurt. We ask our guests to be mindful that firewood is a valuable resource and burn only what is required and never leave any fire unattended. No candles or paraffin lamps other than the tealights provided by us may be burned in the yurts at any time. Any outdoor fires must be attended at all times and must be kept in the fire areas provided and must be small and manageable.

Under-18s: Eco Retreats is situated on a large and wild site. Parents and/or guardians **MUST** supervise their children and teenagers **at all times**. We do not allow under-18s to stay in a yurt without adults.

General safety: We take every care to ensure you have a safe and enjoyable holiday but cannot be held liable for any accidents or consequential loss. Guests including children and adults are not permitted to climb on banks, climb trees or swim in the river. Anyone breaking these rules does so entirely at their own risk.

Force majeure: In these booking conditions, "force majeure" means any event which we could not, even with all due care, foresee or avoid. Such events may include, whether actual or threatened, war, riot, civil strife, strikes, lockouts, slowdowns, terrorist activity, industrial dispute, natural or nuclear disaster, adverse weather conditions, fire, flood, hurricane, storm, lightning, explosion, infectious disease, epidemic, acts of state or Governmental action, act of God and all similar events outside our control. We regret we cannot accept liability or pay any compensation where the performance or prompt performance of our obligations under our contract with you is prevented or affected by or you otherwise suffer any damage, loss or expense of any nature as a result of "force majeure".
